
**Have a vision
that can call you
through the pain of
transformation.**

**This is not a
training,
this is your life!**

Show up.

Take what comes up.

**Practice committed
communication.**

**Who or what
is in control?**

The only way
from glory to glory
is through!

**Your impact is your
responsibility.**

Is it happening?

**Breakthrough
happens alone.**

Face up!
